

Herve is your incomparable fine dining establishment in paradise

- When everything must be perfect, Herve is a perfect choice-

The ultimate fine dining experience is best when seasoned with romantic ambience. Add Caribbean flair with French American cuisine and you surely have discovered paradise. In other words, you have found Herve Restaurant and Wine Bar.

Are you searching for that intimate table for two where you can ask her to marry you in style? Do you hope to have an absolutely perfect tropical wedding celebration? Herve Restaurant on Government Hill offers an event locale above the rest.

Chef and owner Herve Chassin, his delightful wife Paulette and the loyal staff at Herve Restaurant and Wine Bar are well versed in premier service and food preparation leading to complete customer satisfaction.

Said Paulette, "Here at Herve, we give you 35 years of experience. When we host a wedding, a rehearsal dinner or any special event, you are assured an exquisite experience."

Even before you step through the front door, prepare to be impressed by the welcoming display board. Take note of the numerous local, regional and national awards bestowed on Herve Restaurant. It has been lauded in Travel and Leisure, Wine Spectator, Gourmet Magazine, the New York Times and countless other publications.

Before you peruse the menu, take the opportunity to drink in the richly understated Tuscan style decor, soft lighting, handsomely upholstered furnishings, mood music, nostalgic island photographs and glorious view overlooking Denmark Hill.

Are you having a small exchange of vows at the courthouse? Make your next stop Herve Restaurant and Wine Bar. Call ahead and Paulette will have your champagne chilling tableside when you arrive.

Speaking of wonderful tableside delights, treat yourselves to a fascinating gourmet show. Order the wilted spinach salad flambé. Watch as your skilled server combines fresh spinach and mushroom salad with bacon vinaigrette flamed at your table with Cointreau and brandy.

The lobster bouillabaisse - a taste-tempting signature dish - offers sea bass, shrimp and scallops in a light saffron broth.

Herve Restaurant is comfortably air-conditioned. Lunch is served daily Monday through Friday. The alfresco patio and bar opens at 5 p.m. for your convenience. Dinner service takes place nightly from 6 p.m. to 10 p.m.

For information regarding wedding celebrations, rehearsal dinners, engagement parties, vow renewal affairs, anniversary parties or any special events, contact Paulette. "Just give us your requests and your worries are over," she said. With a warm, knowing smile, she added, "We will execute your event perfectly."
